REASONS FOR ALLOWANCE***Information Disclosure Statement***

The information disclosure statement (IDS) submitted on September 11, 2007 was filed after the mailing date of the Notice of Allowance on August 27, 2007. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance:

In regard to **claim 1**, the prior art does not teach or reasonably suggest a camera that implements an automated zoom control function with a zoom burst recording mode, wherein at least one automatic zoom mode is selected prior to depressing the shutter button, and the user selectively chooses one or more of the images having different zoom levels for storage. The prior art also does not teach that the automatic zoom modes to be set are selected from a near priority mode, a far priority mode, a custom wide angle priority mode, and a custom zoom priority mode.

Similarly, regarding remaining independent **claims 7, 8, and 14**, the prior art does not teach or reasonably suggest a camera (or method of operating a camera) that implements an automated zoom control function with a zoom burst recording mode, wherein at least one automatic zoom mode is selected prior to depressing the shutter button, and the user selectively chooses one or more of the images having different zoom levels for storage. The prior art also does not teach that the automatic zoom modes to be set are a near priority mode, a far priority mode, a custom wide angle priority mode, and a custom zoom priority mode.

Art Unit: 2622

As for **claims 2-6, 9-13, and 15-20**, these claims are either directly or indirectly dependent upon allowable independent claims 1, 7, 8, and 14, and thus claims 2-6, 9-13, and 15-20 are considered to be allowable, as well.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
